Guest Speaker – Joey Treat

Please welcome our guest speaker this morning, Joey Treat he is with the Global Broadcasting Network and will be sharing more information about it with us this morning.

The Gospel Broadcasting Network (GBN) produces solid, faithful videos to encourage members of the Lord's church and reach out to those who are not members. Much of GBN's work is evangelistic. The videos cover a wide variety of topics including how to be saved, spiritual growth, what is rebaptism, Christian morals, worship, the church of the Bible, and more.

GBN shows these videos on 21 cable stations, it's website (gbntv.org), a Roku channel, its own app (for android and apple devices), and a YouTube channel. We know these are watched because of the large amount of feedback we get on the website's "contact us" form. We get regular questions from those inside and outside the church. Many times, these questions lead to Bible studies and baptisms.

With a worldwide reach and regular worldwide baptisms, GBN truly is a mission work.

WHAT IS WALK4WATER?

The same organization that we already fill MAGI boxes with also coordinates Walk 4 Water events. **We are hosting a Walk 4 Water event at our church October 21st registration begins at 9:00 am and event starts at 10:00 am and lunch to follow.**

Walk4Water is a fundraising program within Healing Hands International that helps support its Clean Water program.

The average round trip distance a person in a third world country must walk for water is four miles, and this water isn't necessarily clean.

Since 2001, over 1,500 clean water wells have been drilled in over ten countries.

After the well is drilled and we have reports from the community, you will receive your very own well report telling about the lives you have changed.

You can find more information at www.hhi.org/walk4water

Scroll down to the Woodsfield Church of Christ

October 21st event and register online and get a shirt ordered or you can register in person the day of the event without a shirt order.

*Registering on the Facebook group will not order you a shirt only through the Healing Hands International site.

You can still participate if you can't complete the 4 miles. Come and walk as much as you feel comfortable and rest inside the fellowship building when you are done. Join us for fellowship and food when the walk is complete or find someone who is walking and donate to them.

You don't have to participate in the walk to give and you can do so on the HHI site, through the church day of the event or by sponsoring someone participating.

You don't need to bring anything other than a pair of comfortable walking shoes, and your family or a friend.

If you have more questions or need more information please contact Amanda Bates, Abby McFarland or Lindsay Stalder.

Sisters Building Sisters for Christ

In lieu of Secret Sisters, Generations Baby Boom and Gen X (been there, done that) would like to adopt Millennials and Gen Z (still in the thick of it) and brighten your days. PLEASE fill out a card with your information and allow us to bring some

Sunshine into your lives. We love you and just want you to know we appreciate all that you are doing – just to make it through another day. So, Millennials/Gen Z, brighten our days by filling out an information card... you will not get a card in return to be responsible for this time.

Thank You - Your older and loving sisters in Christ.
